INTRODUCTION

This is the Pre-Employment Assessment Report for Sam Poole. It is divided into different sections, and they are described below.

SECTION I - GRAPHIC REPORT

Hogan Personality Inventory (HPI) Graphic Report

This section provides a graphic report of the candidate's results on the Hogan Personality Inventory (HPI). The HPI evaluates people on seven well-known characteristics that influence occupational success.

Hogan Development Survey (HDS) Graphic Report

This section provides a graphic report for the candidate's results on the Hogan Development Survey (HDS). The HDS identifies 11 potentially derailing characteristics that can cause an otherwise effective individual to struggle in their career.

Motives, Values, Preferences Inventory (MVPI) Graphic Report

This section provides a graphic report of the candidate's results on the Motives, Values, and Preferences Inventory (MVPI). The MVPI evaluates individual fit within a corporate culture; it indicates the kind of jobs, work, and environments people will find most satisfying.

SECTION II - SUMMARY OF ASSESSMENT RESULTS

Employment Fit

This section reviews the candidate's results, focusing on general characteristics relevant to that person's success in most work environments. The review covers the candidate's reaction to stressful situations, how the candidate will manage the assignments associated with a job, and how the candidate will approach learning in a new job.

Job Fit

This section reviews the candidate's assessment results in terms of fit with a particular job. Different characteristics are important for success in different jobs, and characteristics that are important in one job may interfere with performance in others.

Job Risks

This section provides an overview of results from the Hogan Development Survey (HDS) which indicate risk factors that can impede performance effectiveness if not managed.

Organization Fit

This section reviews the candidate's results in terms of fit within a particular organization. The culture of every organization is different, and just because a candidate fits with a specific job, does not mean that he/she will fit within the organization.

Candidate Fit Recommendation

This section provides an overall recommendation regarding the candidate's degree of fit within the job at your organization. This recommendation is based on the assessment data

Candidate Interview Style

This section summarizes the candidate's interview style. Interview style can impact the evaluation of a candidate's fit for the position. This section indicates what to expect from a candidate in order to minimize the impact of interviewing skills.

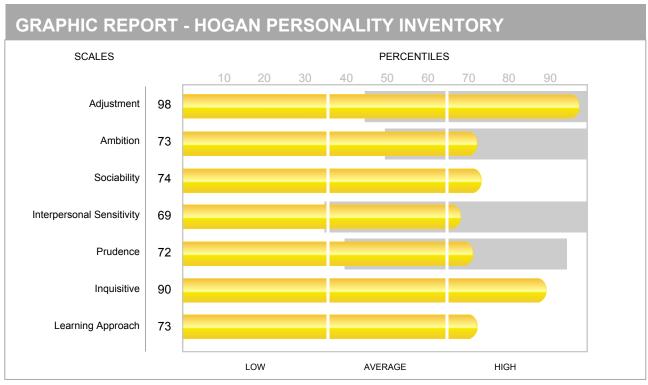

SECTION III - STRUCTURED INTERVIEW GUIDE

This section provides a structured interview guide based on the candidate's assessment results. The interview guide is designed to increase the hiring manager's understanding of the assessment results and allow him/her to probe areas of particular concern regarding the candidate's job fit. The guide also provides a systematic method for making a hiring decision using a combination of the assessment and the interview results.

SECTION IV - OVERALL EVALUATION OF CANDIDATE

This section provides a way in which to combine the candidate's assessment and interview results into an overall evaluation. From this, you will be able to make a more informed hiring decision.

NOTES: Scales with a shaded bar have been identified as important to success. Scores inside the range increase a candidate's probability of success.

| Ad | jusi | tm | er | ١t |
|----|------|----|----|----|
|----|------|----|----|----|

Reflects the degree to which a person is calm or moody and volatile. High scorers seem confident, resilient, and optimistic. Low scorers seem tense, irritable, and negative.

Ambition

Evaluates the degree to which a person seems leaderlike and values achievement. High scorers seem competitive and hard working. Low scorers seem unassertive and less interested in advancement.

Sociability

Assesses the degree to which a person appears socially self-confident. High scorers seem outgoing and colorful. Low scorers seem reserved and quiet.

Interpersonal Sensitivity

Reflects tact and perceptiveness. High scorers seem friendly, warm, and popular. Low scorers seem independent, frank, and direct.

Prudence

Concerns self control and conscientiousness. High scorers seem organized, dependable, and easy to supervise. Low scorers seem spontaneous and flexible.

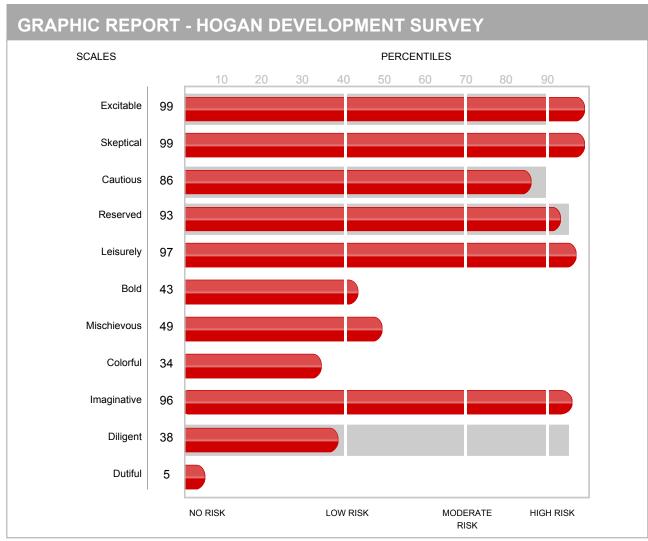

Inquisitive

Reflects the degree to which a person seems curious, adventurous, and imaginative. High scorers tend to be quick-witted and visionary, but easily bored. Low scorers tend to be practical, focused, and able to concentrate.

Learning Approach

Reflects the degree to which a person values education as an end in itself. High scorers tend to enjoy reading and studying. Low scorers are less interested in formal education and more interested in hands-on learning on the job.

NOTES: Scales with a shaded bar have been identified as important to success. Scores inside the range increase a candidate's probability of success.

Excitable Behavior ranging from emotional calmness to emotional explosiveness.

Skeptical Behavior ranging from trusting others to believing others usually attempt to

deceive.

Cautious Behavior ranging from flexibility to a cautious reluctance to try new things.

Reserved Behavior ranging from caring about others to a lack of concern about other

people.

the limits.

Colorful Behavior ranging from quiet self-restraint to dramatic and entertaining self-

expression.

Imaginative Behavior ranging from levelheaded and sensible to imaginative, unusual, and

unpredictable.

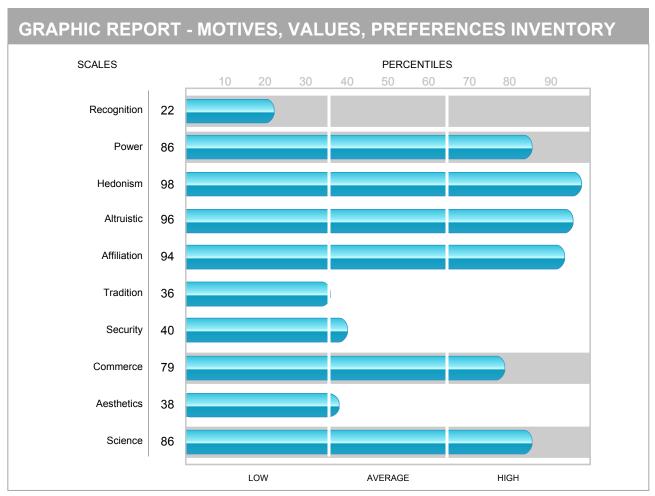

Diligent Behavior ranging from relaxed and tolerant to detail-oriented, picky, and overly-

conscientious.

Dutiful Behavior ranging from independent to overly conforming and eager to please

others.

NOTES: Scales with a shaded bar have been identified as important to success. Scores inside the range increase a candidate's probability of success.

Recognition Concerns a desire to be recognized, and a lifestyle guided by a search for

opportunities to be noticed.

Power Concerns the desire to make a difference, and a lifestyle characterized by

competition and achievement striving.

Hedonism Concerns the pursuit of fun, variety, and pleasure, and a lifestyle organized

around eating, drinking, traveling, and entertaining.

and reaching out to others.

Tradition Concerns a commitment to family, work, respect for authority, and a lifestyle

organized around tradition and old-fashioned values.

Security Concerns a need for predictability, structure, order, and a lifestyle organized

around avoiding risks and minimizing errors and mistakes.

Commerce Concerns an interest in financial issues, and a lifestyle organized around salary

increases and financial planning.

Aesthetics Concerns quality, and a lifestyle organized around art, music, and fashion.

Science Concerns being interested in science, enjoying technology, and preferring to

make data-based—as opposed to intuitive—decisions.

Section II – Summary of Assessment Results

Employment Fit — Overall Suitability for Work

Sam Poole usually is poised, confident, and self-assured but also may overestimate his/her abilities, and may ignore feedback. He/She usually is conscientious, careful about rules and procedures, and will gather the information needed to make informed decisions. Sam Poole tends to be achievement oriented, interested in training, and will stay up to date on new developments in business and technology.

Job Fit — Suitability for the Position

Mr./Ms. Poole will remain calm, steady, and focused when under stress. Others will appreciate his/her confidence and poise, but he/she may, at times, not seem appropriately concerned about impending problems. He/She will seem leaderlike and upwardly mobile, and will set high expectations for himself/herself and others. He/She will work hard to advance his/her career, and may sometimes overextend himself/herself due to overconfidence. He/She needs to be sure to bring his/her supporters along with him/her as his/her career advances. He/She will be perceived as tactful, warm, friendly, and tolerant, and will have real skill at managing relationships. Because he/she wants to please everyone, he/she will attempt to avoid conflict and avoid confronting performance issues. Mr./Ms. Poole is a conscientious, trustworthy, and hardworking person who is comfortable with rules and procedures. He/She will be planful and well organized, but he/she may tend to micromanage or overcontrol his/her staff.

Candidate Strengths

- Will be calm and even-tempered despite heavy workloads and ambiguous task demands
- Tends to approach challenging work with confidence and optimism
- Will be seen as an energetic, self-confident, and action-oriented leader
- Enjoys making decisions and meeting difficult challenges
- Will read social and political cues quickly and easily
- Will work hard in an effort to please everyone
- Will have a keen eye for detail, provide staff with stepby-step instructions, and follow procedures
- Should have high standards regarding timeliness, quality, and adherence to rules

Candidate Areas of Concern

- May overestimate own talents and abilities and ignore criticism and negative feedback
- May underestimate challenges that are more critical than they initially appear
- May tend to compete with colleagues, team members, and subordinates
- May become dissatisfied if opportunities for advancement don't come quickly enough
- May seem conflict-averse and have difficulty confronting staff when performance issues arise
- May have difficulty giving subordinates negative feedback
- May have difficulty prioritizing work due to a tendency to consider all details as critical
- May have problems changing direction quickly and being flexible

Job Risks - Tendencies that Could Undermine Performance Success

Sam Poole has the following potential risks that need to be managed:

- He/She may seem indecisive and unwilling to act for fear of making a mistake. He/She may tend to be motivated by
 avoiding negative outcomes and may be reluctant to try new business activities due to a fear of failure. This potentially
 risk-averse style could lead him/her to avoid taking the strategic risks that often lead to successful outcomes.
- He/She likely pays appropriate attention to the details while also being able to delegate work when needed.
- Mr./Ms. Poole may be emotional when frustrated or irritated. Over time, others will see a pattern of initial enthusiasm for people and initiatives and then disappointment.
- He/She can be tough, insensitive, and detached. He/She will tend to ignore morale issues and communicate poorly.

Organization Fit - Suitability for the Culture

He/She wants opportunities to succeed and make an impact at work. He/She strongly prefers to lead and will dislike roles that lack decision-making discretion. Mr./Ms. Poole is not particularly interested in having his/her accomplishments recognized or working on high visibility teams or projects. He/She prefers to avoid politics and is happy to share credit and maintain a low profile. Mr./Ms. Poole likely will have a business savvy, bottom-line approach to work. He/She will be motivated to follow current business strategies, marketplace, competitors, and other relevant business issues. He/She will prefer to analyze problems in detail and base his/her decisions on all the available data. He/She will be unhappy in action-oriented organizations where decisions are made based on experience, instinct, and intuition.
